

Young Tennessee Artists: 2018 Statewide Upper-Level Studio Art

Exhibition Fact Sheet

About the Frist Center: Located in Nashville, the Frist Center for the Visual Arts is a nonprofit art museum, with approximately 24,000 square feet of gallery space. It presents the finest visual art from local, state, and regional artists, as well as major U.S. and international exhibitions.

About the Conte Community Arts Gallery: While the Frist Center brings art from all over the world to Nashville, Conte Community Arts Gallery is dedicated to our mission of finding and making connections with local artists. The 2018 *Young Tennessee Artists* exhibition will be displayed in this space, which is the major entryway into the Frist Center.

About the 2018 *Young Tennessee Artists* exhibition: The exhibition presents the best two-dimensional artwork created by students in Advanced Placement and International Baccalaureate studio art programs throughout Tennessee during the 2017–2018 academic year. A panel of university educators, artists, and curators will select 30–35 works for the exhibition from online submissions. The Frist Center will mat and frame all works selected for display, which are to be delivered to the museum between June 25 and July 13, 2018. The exhibition will be on view from October 20, 2018, through March 17, 2019 (dates may be subject to change). The selected artists, their families, and their teachers will be invited to a reception in December 2018 to celebrate the exhibition.

Eligibility Requirements: High school students *currently* participating in a certified College Board AP or IB studio art program (i.e., during the 2017–2018 academic year) are invited to submit artworks for this exhibition.

Submission Requirements: Each student may submit digital images* of up to 10 two-dimensional works completed for an AP or IB studio art portfolio during the 2017–2018 academic year. The maximum size for each work is 24" x 36". Because of exhibition space limitations, no three-dimensional work will be accepted. ***Do not send the original version or the only copy of a work. There is no submission fee.***

*Films/Movies: A short film of up to 10 minutes in length may be submitted as one work. Digital copies of films should not exceed 25MB in size. For larger video files, please contact Rosemary at fristcenter.yta@gmail.com.

Disclaimer:

AP And IB programs will be verified. Any submissions that cannot be verified will not be considered for jury process.

Students must submit their work between February 12 and May 11, 2018 (no later than 11:59 p.m. CT, when the online system will close).
