

Dream House Drawing

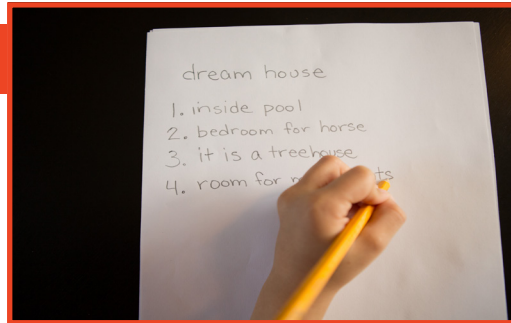

Let's make a dream house drawing!

Architects help people to create the home of their dreams. This could mean extra bedrooms and nice windows, or it could mean a swimming pool on the roof! What would your dream house look like? Would it be a skyscraper? Would it have a library or a hot air balloon landing pad?

Materials

- Ruler
- Pencil
- Crayons or markers
- 1 sheet of notepaper
- 1 large piece of drawing paper

1

List all of the things you want in your dream house. Be creative!
The sky is the limit!

2

Draw the outline of your dream house with your ruler.

3

Add the fun details.

4

Add color and label the parts if you want.
What a terrific dream house!
