

Happiness Mural

Let's make a happiness mural!

Murals can be created on walls, ceilings, and even sidewalks. A mural can have a message or idea that the artist wants to share with the viewer. What ideas would you like to share with others? What makes you happy? How might seeing what makes you happy make others happy?

Materials

Pencil
Notepaper
Sidewalk chalk
A safe sidewalk or driveway

1

List some things that make you happy. If things on your list are difficult to draw, think of symbols that can represent them.

2

With your chalk, draw an outline of the shapes, symbols, and words you want to include in your happiness mural.

3

Now add colors and details.

4

Invite some friends to enjoy your happiness mural!
