

The poster features a vibrant, multi-colored border composed of various geometric patterns including stars, interlocking circles, and triangles in shades of purple, green, yellow, and blue. In the center, a white rectangular box contains the event title. The word "Frist" is in a bold, black, sans-serif font. Below it, the word "ARTS" is rendered in a large, stylized, hand-drawn font where each letter is a different color (purple, green, yellow, blue) and they are slightly overlapping. Below "ARTS", the word "Fest" is in the same bold, black, sans-serif font as "Frist".
