

# Community Partnership Application

Each year the Frist Art Museum partners with organizations to provide art education programs beyond the Frist Art Museum walls. The education outreach programs reach a wide range of ages and diverse groups throughout Davidson County by collaborating with trusted community institutions. These institutions primarily serve preschool and after-school youth; English as a second language and adult basic education learners; and families and senior citizens.

## Criteria for participation

Please be sure to read carefully to determine how and if your organization will be able to sustain a partnership with us.

- 1) The partner organization should have a strong foundation of programs, staff, and financial support.
- 2) Partner organizations should be able to provide resources such as time, space, staff, participation, and promotion of the partnership when appropriate.
- 3) The focus of each partner's program should be suitable for the integration of Frist Art Museum programming, whether there is already an established arts emphasis or not.
- 4) Organizations should be able to arrange transportation to the Frist Art Museum.
