

Photography and Videography Guidelines

A Frist Art Museum representative must be present during photography or videography shoots. Sessions must not interrupt the daily operations of the facility or impede visitor entry into and exit from various areas of the museum. Unscheduled sessions will not be accommodated, and their participants denied access to museum areas. Guidelines are subject to change based on the exhibits.

An advanced 6-week notice of the preferred shoot date is required. Scheduling is based on availability for the requested date and occurs within the museum's operating hours.

Public Areas

Private event photography with flash is allowed in the Grand Lobby (restrictions may apply), Rechter Room, auditorium, and outdoor spaces.

Galleries

Photography Photo shoots are prohibited in the exhibition spaces.

Wedding Related (Bridal, Engagement) or Personal Event Photography

A \$ 400.00 fee (a maximum of 2 hours during museum operating hours) is applicable to personal photo sessions. Photo shoots can be scheduled Thursday, Friday or Mondays, starting at 10:00am, with the last appointment at 3:00pm. To secure the photography date and time, an event order contract is sent for signature and return of the full fee amount before the photo shoot date.
