Transcript

History's a nasty lesson to learn.

Some folks smile while they watch you burn.

Night is day and day is night,

if we're gonna make this thing right,

we've got to vote.

We are counting on you—vote.

Some folks judge by the group you're in,

where you live and your shade of skin.

Right is wrong and wrong is right.

We can never give up this fight,

we've got to vote.

We are counting on you—vote.

Vote, it's your right.

Vote, we are obligated to

those who gave their lives,

gave their lives to give you the power of choice,

raise your voice!

One thing is undeniably true,
you need us and we need you.
Join this march on a righteous course,
love is an unstoppable force
if you just vote.
We are counting on you—vote.

Vote, it's your right.
Vote, we are obligated to
those who gave their lives,
gave their lives to give you the power of choice,
raise your voice and join us.

Vote, it's our right.
Vote, we are obligated to
those who gave their lives,
gave their lives to give us the power of choice,
let's make some noise!
Vote!
