

LOOK CLOSELY

Use this during your visit to

J.M.W. TURNER QUEST FOR THE SUBLIME

We hope what you see will spark new ideas, start a conversation, or help you look at your world in new ways.

Look Critically

Select a room in the exhibition. Which work of art is your favorite? Which is your least favorite? Tell someone why you made these choices.

Step Inside

Imagine you are standing inside a work of art. Where did you go? Whom did you take with you? What did you see?

Use Your Senses

Choose a work of art that activates your senses. What sounds do you hear? What do you smell? What's the weather like? What time of day is it?

Look Closely

Select a work of art that interests you. What's going on? What makes you say that? Look again. What else do you find?

Name Game

Pick a work of art. Without looking at the label, what title would you give to this artwork? Look at the label. Was your title similar?

From Your Perspective

Find a painting that shows depth. What seems to be farthest from you? What's closest? What's in the middle?
